

### Puck Tag - Confined Area

**Organization:** One player with puck.  
All others skate freely to avoid the passed puck.  
(Must be passed on the ice.)  
Once player is hit, he gets a puck and becomes a tagger.

**Purpose:** All levels of player are challenged in dribbling, passing, edge control, and attacking someone with the puck.

**Notes:** *add on conditions; 360 then pass; pass on backhand, use tennis balls @ Hockey school.*
